SIR:

In response to the Office Communication mailed March 7, 2006, setting a one month period for response ending on April 7, 2006, and for which therefore no extension is herein required, Applicants herein respond as follows:

REMARKS

Applicant's thank Examiner Hoge for his communication of March 7, 2006 regarding the above-noted patent application.

It appears that the basis of the Examiner's kind concern is the selection of a species, even with traverse.
